ASHES

ISAIAH 61:3

Learn with Bethany as she teaches about the redemption and restoration of Jesus in the midst of brokenness. She utilizes both her passion and humor to reach young and old alike with a variety of spiritual teaching topics. Her testimony and teachings are filled with tears of sorrow and joy - she cries them all for the glory of the Lord – for it is a testimony about Jesus. Her teachings will leave you with a desire to seek God's will for your life, and passion to live a life of unconditional worship for His glory.
